

The IIHS Library holds a hybrid collection of 27,000 books, 58 journals & magazines (print & electronic), 1,260 films & data, 52 case studies, 710 maps and atlases, and 790 back volumes of journals, tailored to the academic and research needs of the IIHS community. Since its inception, the library has been strengthening its collection, with a special focus on interdisciplinary research on urbanisation in the South Asian context.

1. Books, Case Studies, Maps, Films & Data | <http://catalogue.iihs.co.in>

The library's collection can be viewed using our open catalogue: <http://catalogue.iihs.co.in>. Log in with your staff ID to keep track of what you have borrowed and to make a suggestion.

2. Electronic Resources (See the detailed list of journals below) | <http://library.iihs.co.in/journals>

Electronic resources (databases and e-journals) are available via IP enabled access in the IIHS Bangalore City Campus. The complete list can be found on the library website: www.library.iihs.co.in.

3. Databases | <http://library.iihs.co.in/databases>

Demography, Social and Economic Indicators

- **ET Prime**

ET Prime is a business news portal from The Economic Times. It provides specialised news on economy, infrastructure, environment, energy, climate change, consumer, and markets. ET Prime can be read on the desktop, mobile devices in Android and iOS apps.

- **IndiaStat**

IndiaStat is a socio-economic and statistical database with a cluster of 57 sites providing authentic and comprehensive compilation of secondary level socio-economic statistical data about India and its states, regions, and sectors on more than 35 variables.

- **EPW Research Foundation India Time Series**

EPWRF India Time Series provides database expertise in key areas of economic research and analysis. This database provides access to industrial statistics, wholesale and consumer price indices, central and state government finances, the financial system and the money market, balance of payments, foreign trade, external debt and exchange rate statistics and some social sector development indicators covering over 45 macro-economic and sectoral datasets. Subscribed modules include Banking Statistics, Domestic Product of States of India, Industrial Production Series, Finances of State Governments in India, Annual Survey of Industries, National Accounts Statistics of India, Combined Government Finances, Finances of the Government of India, Health Statistics and Education Statistics.

- **CapEx**

The CapEx database provides insights on new capacities coming up in India in the near, medium, and long term. These are aggregated across industries, product groups, geographies, project status, capacity creation and ownership. Individual project profiles can also be accessed.

Law

Subjects: Resources guide, databases, journals, magazines, referencing, research

Tags: Library resources, general guide, software, reference support

Subject Librarian: Anitha K V | anithkv@iihs.ac.in | T+ 91 080 - 6760 662
